

PANTHER
POWER CAP™

THE POWER TO SEE IN THE DARK™

YOUR BRAND DESERVES TO BE SEEN

YOUR LIFE. YOUR ADVENTURE. YOUR CAP.

Bring your brand to life with Panther Vision's line of premium lighted headwear.

Get the most out of your promotional programs with these unique ball caps that perfectly blend functionality and style to deliver a product sure to draw attention to your brand. Plain and simple, your customers will live in their Panther Vision® Caps. Whether it's in the woods, around the house, or on the job site, these are products that people use and talk about time and time again.

THE POWERCAP® DIFFERENCE

Hands-Free

When your hands are free, you can work more, you can play more, and do more altogether.

Innovation

Panther Vision® first developed our hands-free lighting devices in 2002, and we have spent the last 10 years perfecting and refining the technology.

Unlimited Uses

How many times do you find yourself needing a flashlight or headlamp? In the garage, under the sink, in the yard, on the job... The possibilities are endless.

Perfect for Promotions

Tradeshow Premiums, Corporate Gifts, Safety Initiatives, Uniform Supplements, this is a promo people use!

Maximize Impressions

When people use a product it makes the brand logo on that product that much more valuable. Put our caps to work for your brand today!

Low Cost

With options to fit every budget, and a massive amount of exposure, Panther Vision® caps offer one of the lowest costs per impression.

STEALTH 2500 SERIES CAPS

**2 ULTRA-BRIGHT
LEDs UNDER THE BRIM**

LIGHTS WHERE YOU NEED THEM NO SIGN OF THEM WHEN YOU DON'T

With the LEDs on this cap concealed under the brim, the caps preserve the stylish look of traditional non-lighted ball caps.

2500 Series under-the-brim lighting angles the light downward to light up where your hands and feet are at work or play while still providing useful forward lighting.

Features:

- Patent Pending Concealed Under Brim Technology Puts Light Right Where You Need It for Close to Medium Range Tasks
- Pre-Curved Poly Visor with Patent Pending Lighting System Integration
- 100% Cotton Twill
- Adjustable Hook and Loop Tape Closure
- Two Replaceable Lithium CR-2032 Batteries for 30 Hours of Continuous Operation
- Simple One Click On/Off Brim Switch Operation
- One Size Fits Most

The Best Cap For:

- **Concealed Lighting**
- **Close and Medium Range Tasks**
